INTERNATIONAL WOMEN'S DAY 2022

ONE WEEK DIGITAL CAMPAIGN
FOR YOUNG RESEARCHERS

March 8, 2022

Redesigning
Equality and
Scientific
Excellence
Together

**On the occasion of International Day of Women,
we invite young female researchers
(PhD + a few years after PhD)
to answer our questions about their
scientific/academic career.**

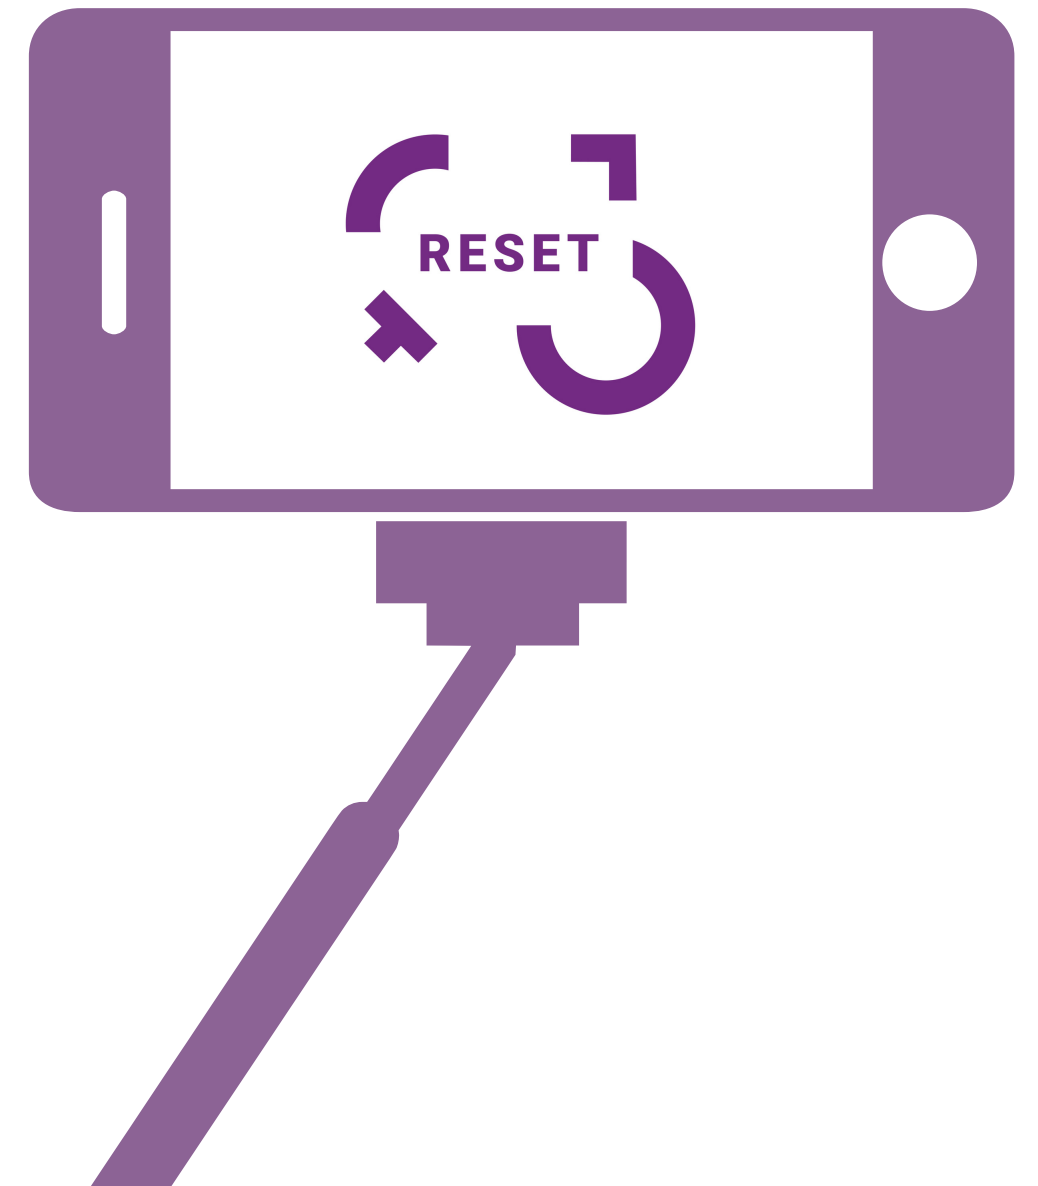

Redesigning
Equality and
Scientific
Excellence
Together

**From 1st to 10th of March 2022,
Q&A videos will be published in our
social media channels, sharing the
message of Gender Equality in the
academic & scientific community.**

We would require:

- A selfie video (Mp4), only replying to the questions, we send you below.
- Please see here an example of a Q&A video
- If you wish, please share with us also your social media accounts (Linkedin, Instagram, Twitter) so we can tag you.
- The answers must be in English.
- The video should be aprox. 2 min. long.
- A signed consent form (obligatory)

Please answer to the following questions:

- What is your name?
- What is your your academic title and field of research?
- Have you faced any difficulties while making your research career? How did you cope with them?
- Have you noticed any changes in your working environment in the past few years (f.ex. home office, equality and diversity policies, prevention of stereotypes and harassment etc.)?
- According to your experience, do you find that diversity and gender balance within the research environment have an impact on its results?

Questions

Last but not least,

Share with us an advice or encouragement for a new entrant to the PhD studies.

*Be yourself, only your personal experience matters!
If you are not comfortable with any question, go to the next one.*

Thank you!
